

COVEMONT BAPTIST CHURCH

Covemont Baptist Church, located at the foot of Cove Mountain on Covemont Road, is a beautiful brick church in a picturesque setting.

In the 1930s the congregation met in Covemont School. It was first organized as a Presbyterian church, the first pastor being Rev. John Wright.

On the fourth day of December 1947, a Warranty Deed was prepared changing the church from Presbyterian to Baptist. The first pastor of the re-organized Baptist church was Reverend Howard Jones.

In 1958 a new block building replaced the old one and in 1975 brick was added. The Baptist congregation still worships in this beautiful building, receiving God's blessings every service. The present pastor, 1988, is Tom McMahan.

Reverend Tom McMahan, pastor, 1989.
