Hugh Blair's "LEIDGER"

December 25th 1810

It being tuesday went to a Squirrel hunt made by the boys where thirty seven were the Exploits of the Day
Got beat by one-----

Come home in the night

December 25th 1811 had a Squirrel Hunt on Christmas ? on Said Eve and Shot at the / made By the same party not known who Beat

December 16th 1811 the Town of Sevierville Experienced the shock of an Earth Quake, But not noticed by all its Inhabitants. Description of it at Knoxville it happened about Between 12 and 1 o clock Begun with a rumbling more like distant thunder and caused the Earth to shake for some minutes a Flash of fire was Discovered to the north ward. at this place it alarm'd the whole town by the noise of the rumbling and ratling of the windows and furniture of the Houses. three other Shocks happened in succession Between that and sun rise But lighter. the furdur westward the harder

Another Earth Quake January 23d 1812 50 minutes after 8 oclock lasted two minutes. Caused the glass of the windows to Rattle considerably with out any Sound ? Here
