

1827

Series 600 Double 3 1/2
Oct 31st 1827

Genl. Speaker of the Senate
of the State of Tenn
Nashville

The compliance with a resolution of the General
Assembly of the State of Tennessee adopted March 20th 1820
relating to the 1820th the quarter of 1820th the quarter
the survey of lands returned the following report to
that they are not aware of any lands belonging to
them arising from any lands of the State other than the
portions of the land arising from the proceeds of the
sale of the lands of the State and also of the
for the use of academies in the State of Tennessee
lands & the amount of the lands of the State
date to the State the land has been the State
almost every portion of the State land which are
now are the proceeds of the State of the State
details of which we are not aware but presume
the report of the Treasurer of the State will show
that the applications are the same as in the Treasury
and the amount thereof, we are inclined to be
that there is no part of said land at the Tennessee
State, on which the proceeds of the State
today we are the proceeds of the State
the proceeds of the State and the proceeds of the
proceeds of the State and the proceeds of the
details of which we are not aware but presume
on that subject. I would more than willing to give
by us in the State of Tennessee the proceeds of the
of the State the State of the State of the State
land one hundred dollars on the 1st day of
1820 and two hundred on the 1st day of
1821 the proceeds of the State of the State of the
proceeds of the State for the use of the State
we are not aware of any lands belonging to the
we are not aware of any lands belonging to the

have built by subscription for an academy
I must have by in constant. The bill
of two hundred dollars was paid to
the purchase of a two story brick building
by Deuel with four fire places and two
rooms the town of Danville on other words
made by the purchase and the furnishing the
building so as to answer the purpose in Danville
I had anticipated from the receipts from the
proceeds of the second to the amount of two hundred dollars
I had ^{in my hands to give to the} ~~in my hands to give to the~~ ^{person of whom we} ~~person of whom we~~
purchased having by contract agreed to receive the
proceeds of the purchase money as it accrued
to the school from the proceeds of the ^{first} ~~first~~ ^{and} ~~and~~ ^{the} ~~the~~
workman who was engaged to finish the
building and to board of whom we have
been a debt on the drawing for the amount
due them respectively all which will be more
fully explained hereafter. I have had to the
account of the Treasurer of the Board of Trustees
Danville as a part of this report
at the present time the subscription is
not in operation nor has it been for some time
I was not not having in our power to pro-
= cure a teacher capable of conducting it
The Board of education held to this (and contain
= stated that) taught in a new school as was
calculated to improve the students to enter on a
regular course of collegiate studies toward making
working with a taste English German Latin &c
Greek Geography mathematics natural and
moral Philosophy astronomy Geography &c &c

The only rule adopted regarding the admission of
students that the applicant apply to the President & receive
leave his name listed as a student & receive
from him a certificate or certificate of admission
all which is respectfully submitted
by order of the Board
